

This timeline provides an overview of major events related to the three main Gulf restoration and recovery processes: the **Natural Resource Damage Assessment (NRDA)**, the **RESTORE Act**, and the **National Fish and Wildlife Foundation (NFWF)**'s **Gulf Environmental Benefit Fund**. It also introduces major events in the **U.S. Criminal Charges & Civil Claims**, which are related to but separate from the other processes.

What's Happened So Far?

PROCESS	2010	2011	2012	2013	2014	2015	2016	2017	2018
<p>NRDA</p> <p>Under the Oil Pollution Act, parties responsible for the spill are liable for injuries to natural resources, loss of use of those resources, and the costs of assessing the damage.</p>	<p>Sept. 27, 2010 Trustees issue notice of intent (NOI) to conduct restoration planning</p>	<p>Feb. 17, 2011 Trustees issue NOI to begin restoration scoping and prepare a programmatic environmental impact statement (PEIS)</p> <p>Apr. 21, 2011 Trustees announce early restoration agreement with BP</p>	<p>Apr. 18, 2012 Trustees release Final Phase I Early Restoration Plan and Environmental Assessment (EA) (draft released Dec. 2011)</p> <p>Dec. 21, 2012 Trustees release Final Phase II Early Restoration Plan and Environmental Review (draft released Oct. 2012)</p>	<p>Jun. 4, 2013 Trustees issue NOI to prepare PEIS for early restoration projects</p>	<p>Jun. 26, 2014 Trustees release Final Programmatic and Phase III Early Restoration Plan and Early Restoration PEIS (draft released Dec. 2013)</p>	<p>Sept. 23, 2015 Trustees release Final Phase IV Early Restoration Plan and EAs (draft released May 2015)</p> <p>Oct. 5, 2015 Trustees release Draft Programmatic Damage Assessment and Restoration Plan and Draft PEIS</p>	<p>Feb. 1, 2016 Trustees release final Phase V Early Restoration Plan and EA (draft released Dec. 2015)</p> <p>Feb. 19, 2016 Trustees release Final Programmatic Damage Assessment and Restoration Plan and Final PEIS</p>	<p>Jan. 23, 2017 LA Trustee Implementation Group (TIG) releases its Final Restoration Plan #1 (draft released Oct. 2016)</p> <p>Apr. 14, 2017 AL TIG releases its Final Restoration Plan I and EIS (draft released Dec. 2016)</p> <p>Jul. 9, 2017 MS TIG releases its 2016-2017 Restoration Plan/EA (draft released Dec. 2016)</p> <p>Oct. 18, 2017 TX TIG releases its Final 2017 Restoration Plan/EA (draft released May 2017)</p>	<p>Feb. 22, 2018 Florida TIG releases its Phase V.2 FL Coastal Access Project: Final Restoration Plan and Supplemental EA (draft released Nov. 2017)</p> <p>Mar. 20, 2018 LA TIG releases its Strategic Restoration Plan and EA #3 for Barataria Basin (draft released Dec. 2017)</p> <p>Jul. 18, 2018 LA TIG releases two final restoration plans: #2 and #4 (drafts released Dec. 2017 and April 2018, respectively)</p>
<p>RESTORE ACT</p> <p>Specifies that 80% of Clean Water Act civil and administrative penalties go to a Restoration Trust Fund for restoration, recovery, and research activities in the Gulf. This timeline focuses mostly on the Gulf Coast Ecosystem Restoration Council ("Pot 2").</p>			<p>Jun. 29, 2012 RESTORE Act passes as part of surface transportation and federal aid highways act (MAP-21) [Pub. L. 112-141]</p> <p>Jul. 6, 2012 President Obama signs RESTORE Act into law</p>	<p>Aug. 28, 2013 Council approves Final Initial Comprehensive Plan and Programmatic Environmental Assessment (PEA) (draft released May 2013)</p> <p>Sept. 6, 2013 U.S. Treasury Department releases draft procedures for administering the RESTORE Act Restoration Trust Fund</p>	<p>Aug. 15, 2014 Treasury releases an interim final rule for administering the RESTORE Act Restoration Trust Fund (effective Oct. 14, 2014)</p>	<p>Aug. 13, 2015 Council releases its draft Initial Funded Priorities List</p> <p>Sept. 29, 2015 Council releases proposed regulation to allocate Spill Impact Component ("Pot 3") funds among the Gulf states</p> <p>Dec. 9, 2015 Council approves Initial Funded Priorities List and regulation allocating Spill Impact Component ("Pot 3") funds</p> <p>Dec. 14, 2015 Treasury releases final rule for RESTORE Act Restoration Trust Fund (effective Feb. 12, 2016)</p>	<p>Dec. 16, 2016 Council approves Comprehensive Plan Update (draft released Aug. 2016)</p>	<p>Sept. 27, 2017 Council releases 2017 Funded Priorities List: Comprehensive Plan Commitment and Planning Support (draft released July 2017)</p>	<p>Jan. 24, 2018 Council approves 2017 Funded Priorities List: Comprehensive Plan Commitment and Planning Support</p>
